

Urdu_ is, one of the most absorbing and meaningful language indeed !

nikaah & janaaza...

The _difference_ between a *wedding* and a *funeral* beautifully captured in a _poem_ called :

farq sirf itna sa tha

teri *doli* uthi,
meri *mayyat* uthi,
phool _tujh_ par bhi barse,
phool _mujh_ par bhi barse,
farq sirf itna sa tha....
tu _saj_ gayi,
mujhe _sajaya_ gaya..

tu bhi ghar ko chali,
main bi ghar ko chala,
farq sirf itna sa tha....
tu _uth_ ke gayi,
mujhe _uthaya_ gaya...

***mehfil* wahan bhi thi,**
***log* yahan bhi the,**
farq sirf itna sa tha....
unka _hasna_ wahan,
inka _rona_ yahan...

***qazi* udhar bhi tha,**
***moulvi* idhar bhi tha,**
do bol _tere_ padhe,
do bol _mere_ padhe,
tera *nikaah* padha,
mera *janaaza* padha,
farq sirf itna sa tha...
tujhe *apnaya* gaya,
mujhe *dafnaaya* gaya...
